Discover WIBA! Cachaça: Fresh, Pure, and Sustainable

WIBA! offers a unique way to enjoy cachaça, maintaining tradition while constantly innovating. Here's why WIBA! stands out:

Freshness: Our sugar cane is hand-harvested and used within 24 hours, ensuring the freshest cachaça.

Purity: We use only the "heart" of the sugar cane, the purest part, while repurposing other distillates for ethanol.

Sustainability: By repurposing residues for energy, soil fertilization, and cattle feed, we ensure an eco-friendly process.

Quality: Produced in modern facilities adhering to Good Manufacturing Practices (GMP), WIBA!'s quality is certified by ESALQ-USP and recognized by master distillers.
